HAROLD CHARLES PHENOW

Dear Fella,

Well we were supposed to fly today but
no sopp - its pretty foggy out now - I guess
the birds are even making - we had a lecture
instead - its a good thing you won that basketball
game - but I do think you should make a
couple of Points - Pete - why help you know -
better take it easy on some blocks - its going
to be a long winter - I guess - Went to town
yesterday to buy me some clothes - didn't have
what I wanted - so didn't buy any - its suppose
to rain here tonight - its that norm - so
its not so bad - as far as the cold job - its
pretty hot in the barracks - so we all loy in around
in our shorts - some fun - got ground school
tomorrow - I don't know yet if you got that lost
money order - Well its my 7 o'clock - so I guess
will go over & shoot a couple games at pool - worth
to pass the time - Well I guess I covered everything
Hope you are all well -
fare Harold
