Dear Folks

Just a couple lines to let you know I got back O.K. - now back to do some odd repairs - more fun - got back here about 9:15 - was in bed at 10 o'clock - was up at 3:30 - flew 7 hours - I now ready for bed again - I'm really tired - got your package O.K. - worth a million - really fits the spot - also got all the cards - they were O.K. We did camera bombing today - 4 gunnery - also fly tomorrow - O Boy - We don't talk about till about 2 o'clock in the afternoon - but fly half the night - hope grandma feels a little better now

I took a little nap after flying today  
now I'm going to bed - still pretty  
tired - just about got all the popcorn  
ate up - Boy that flying by air is  
the only way to travel - really swell -

I must quit

Love

Harold
