Dear Folks

Well awful sorry I haven't
written sooner - but they said I have been
keeping us busy the last couple days
We really have been doing a lot
of flying. The weather has been pretty
good so that helps a lot. Flew
yesterday - did some bombing - &
instrument flying. We also fly tomorrow
mornin - which is Sunday. It's OK
maybe I'll get a day off. if they keep
on flying us. Went to processing to
day got all my papers picked up -
& went to the center - they went
& pulled me at my own damn teeth

Boy really got a sore jaw - it
wasn't so bad - you're God to make
it off first - He sure ain't a very
gentle guy - Well I hope you are all
well - & O.K. - ~~and~~ the weather - Hope
Gramma is getting along O.K. - How
about ~~the~~ little - is he joining any
night - ~~with~~ ~~the~~ night & arm's
birthday - Wish him a happy birthday
for me - I didn't find more it this
week end - Well all for now

Love

~~John~~
