Dear Folks -

Got your letter now - don't  
a million - not a great deal to write  
about - but we sure have been doing  
a lot of flying lately - the really  
keeping us busy - we were supposed to fly  
yesterday - but the weather around here  
just ain't any good - we were supposed to  
fly tomorrow if the weather permits - I  
hope - Hope grandma can stand it that  
way for 3 months - but I guess she  
won't make a fuss - Her - also got your  
letter Tom - Hope you guys make out  
OK in the tournament - Saw 12 bombers  
I think they were from S. C. that

I won't see at all - We'll all done  
with our high formation - So the  
pile up almost burst up here - some  
fun - starting to get cement in  
already here - Boy that rough -  
We'll not doing much today - just  
waiting for the weather to clear up  
for tomorrow - Hope you are all well  
& take it easy on those blocks -  
We'll write soon again -

Love

Dave
