Dear Folks

As you see I'm at Lincoln
and more - got here yesterday
morning - some deal - got on the
train at 7 o'clock at night & it took
us till 5 o'clock the next mornin to
get here - so you see how fast the
train moves - We're not doing a great
deal now - just loyng around - we haven't
processed yet - maybe tomorrow or the
next day - don't know for sure - this
is really a poor base compared to Sioux City
it seems to be colder here also
Met a few of my buddies

I went through Codes with - small
 word - otherwise it's still of some
 How grammar - o.k. I hope - good as
 can be expected here - just got done with
 Crow - which could be better also - well
 I guess that's about all for now - there
 isn't much to write about - it rained
 all day yesterday - some fun -

Love
 Howard

Hope you got that money order
