Dear Folks

Well we'd still layin
around here - not doing a
great deal - Boy the
weather the last couple
days sure has been cold
& I got a good cold out
of it - which is nothin
more than a nuisance
But I guess I can stand
it - going to town
tonight - for a change
got to take in my
laundry - No dinner
served out here - How
yonna - getting along
OK I hope How about
the little one - I sure
met a lot of my buddies

I went through school
with - still make books
better take it easy - huh
guess that's about all for
now - got a formation
soon - Will write soon
OH yes - better tell who
has to change my address
huh -

Love
Harold
