Dear Folks

Well I arrived here
OK - I am now in [redacted]
first time I see how hard East
of the Mass. in my army career
stopped at Chicago - let's get
off for an hour - went through
Michigan - to Detroit - went
across the line - to Buffalo
New York - down through [redacted]
+ so to some place on the East coast
[redacted] - quite a trip
Course we had Pull man cars
we left Friday noon - its now
[redacted] night - so all in all
it's out to bed - well just

Getting settled now - just
etc & got our bedding - also
our luggage - so there isn't
a great deal to write about -
in fact I can't write very much
about anything - Hope you are
all well & O.K. - How's Grandma
O.K. just got back from ill P.V.
this place is too crowded - to
do any good - Well that's all
for now - until I can write
more -

Love

Harold
