Dear Folks -

Got your two letters Pete & Tom really
OK - quite all right about books - how did
he make out - got book from Pasadena -
yesterday - at 5 o'clock - another dollar - Ha Ha
Boy did it ever rain last night -
if the roof leaked - ~~the~~ up - & more
my bed around - so I wouldn't get wet -
more fun - apt on 17 is converted into a
transport - 35 passengers in carry - we
launched - 16,500 men - lost month - 2¢
airphones a day - so we really buy -
it's still a clipping about us & the 92 ~~th~~
th. which is on the same field with us -
on go - & catch that - or you can
have ride & ~~the~~ in the fall -
I'm doing ~~my~~ today now - & in between
I write a ~~letter~~ - also got the radio press
yesterday - How ~~is~~ all well & OK

When do you expect Bill Phoenix - I
may go into town this afternoon & get
my blouse sewed - sew ~~of~~ belt on the blouse
you know it was off - you noted the
92nd wrote up the article - they said they
better don't see me at - any way - Ha Ha - but
I feel not - yes that's all for now - take
it easy -

Love

Harold
