Dear Folks -

18 Aug 45
Sat. Night

Got your letter the other day Tom
thinks a million - Not too much to write
about - Don't been flying for about 4
days - guess will start again soon - guess we
got caught up for about a couple days - Went
to town today - got my battle jacket out
of old tailor - that a horse without the
first part on it - really looks good -
Enclosed is a picture we took at Port Juyatz
Africa - on the beach - the Atlantic ocean is
in front of us - they don't do a very good
at developing though - Boy you must have
had a rough time with them sharks -
Ha Ha - Mous letters He He - We also got
new blankets today - instead of army cot -
spring & mattress - really makes a good deal
nicer & safer - rained here a little today
not much - it sure was a long though

glad to hear the garden is coming along OK -
we get all the tomatoes we want in town and
muskmelon - so its pretty good - have got
lots of letters to answer - all for now
take it easy -

Love
Hazel
