Dear Folks -

Got your letter today
I'm - really OK - Well not
a great deal to write about
some old stuff - Went to
Nice France today - about
a 100 miles from here, took
a band of men here - that
went on pass - just is a nice
place - that's what they call the
Pierria - the vacation spot
of France - really OK -
lot of people come from the
states here - during peace time
the Army took over the best
hotels for Army personnel - we
were here about 3 hours - then
came back - We're going down
to Cosa again tomorrow
more fun -

hope you guys were out ok
with your football - but I
suppose the team was pretty
small - Mr. fine & Jones
you all two - Hope + cones
sister is ok - How do you
holding up - ok & Jones - Got
a letter from May Wells also
today - guess that's all for
now - just isn't any more
news around here - take it
easy -

Love
Howard
